

# SONG LIST

Here's a taste of what we love to play! Our song list is always evolving, so consider this a sneak peek into the sounds that keep us grooving. We're constantly mixing it up, adding new favorites, and sometimes letting others rest, but this should give you a solid idea of the vibe we bring. If you have a song request(s) for your event be sure to let us know well ahead of time so we can rock it for you.
